EPQ Support: What we offer

Middlesex University offers a range of free library workshops for students undertaking the Extended Project Qualification (EPQ). Depending on what your students are in the EPQ process, you can select from a **variety of workshops** to meet their specific needs. Our librarians and academic writing experts provide guidance and support so your students have the opportunity to search our extensive online resources for relevant information. **Please note:** All workshops are held at the Hendon Campus of Middlesex University (NW4 4BT). What happened

"A massive thank you for the workshops yesterday.....The workshops were exactly what I was after and the girls came away with really useful knowledge and resources. I trust they have gained some confidence in their referencing, source evaluation and structures.....My only regret is that we didn't have longer."

"The pupils found it very useful, and I'm really pleased that they have a lot of resources to read over the holidays."

"Thank you for the resources, and a huge thank you for yesterday. Both students and staff thoroughly enjoyed it!"
