RESULTS:

More than 60 points

Other see you as someone who has “been good to them but to be careful.” You look like a “superior”, self-cantered and someone who is very dominating. Other may admire you, wishing they look like you, but they cannot confide to and hesitate to have closer contact with you.

From 51 to 60 degrees

Others see you as fascinating, particularly unsettled and somewhat uncompromising personality. A natural leader, someone who takes quick decisions without thinking everything is right. Someone who will test them all? Someone who takes chances and enjoys an adventure. They enjoy being in your company because of the excitement you release.

From 41 to 50 degrees

Others see you as fresh, lively, charming, exciting, practical, and always interesting. Someone who is constantly the center of attention, but sufficiently well-balanced and not sitting on their neck. Often characterised as gentle, discreet and understandable. Someone who will always help them.

From 31 to 40 degrees

Others see you as sensible, serious, careful and practical. You are considered intelligent, charismatic or talented, but modest. Not a person who makes friends quickly or easily, but someone who is extremely loyal to friends and expect them to do the same. Someone who makes friends quickly or easily, but someone who is extremely loyal to friends and expect them to do the same. Someone who does not easily give up his friendship, but very difficult “re-establish” a broken friendship

From 21 to 30 degrees

Your friends believe you are careful and fussy. Moving things slowly and steadily. It would be very surprising if you did something out of compulsion or inducement. They think this reaction is caused by the suspicious and cautious nature of your expecting you to examine everything carefully.

Below 21 degrees

People think you are shy, nervous, and indecisive, someone who needs care, who always wants someone else to make the decisions and who does not want to mix with anyone and anything! Is sad because they see problems in you that do not exist. Some believe you are boring. Only those who know you really know that you’re not at all.
